

**VARSITY GAME
CREW EVALUATION FORM for ACTIVES ONLY**

For each of the 14 categories, rate each official on a scale of 4 to 1. A score of **"4" shall be the default score** for no or rare deficiencies. Minor deficiencies should be rated 3.

For major deficiencies, a score of 2 or 1 should be assigned. (see back for guidance) For those scores, written justification is required. The maximum score is 56. Any overall score less than 51 also requires written justification.

In fairness to everyone, it is imperative that **all ratings from all games are filled out and handed in.** Officials handing in fewer forms than the games that they have done may not be receiving post season assignments. Forms may be handed in to any committee member throughout the season.
