---

**Positioning:** The official is aligned correctly prior to the snap, and completes all pre-snap responsibilities from that location (counting the defense or offense, setting the chains, etc).

**Signals and Mechanics:** The official gives clear and authoritative signals in a smooth, relaxed style that projects confidence and does not draw undue attention to the official. The official shall coordinate the voice and signals to give a professional appearance.

**Consistency of Calls:** The official is consistent during a game (play to play, quarter to quarter, half to half) when having similar or like plays.

**Crew Communications:** The official works effectively with other members of the crew through voice and signals before and during plays, as well as between downs. The crew comes together and discussing situations when appropriate, working together to get all plays called correctly.

**NFHS Playing Rules Application:** The official demonstrates proper understanding the NFHS playing rules by consistently applying the rules, and subsequent penalties when applicable.

**Hustle:** The official displays movement with a purpose during a play to get into proper position to cover plays.

**Appearance/Fitness:** The proper display of uniform as defined in the NYSACFO Officials Guidebook is used during the game, including the proper placement of the registration patch. The uniform itself is clean and pressed, with shoes being polished. The official demonstrates a fit and athletic appearance within the uniform.
